

Requesting an Anniversary Message from the Premier - Eligibility

To request an anniversary message, applicants can visit <https://www.vic.gov.au/request-anniversary-message-from-premier> and download a Victorian Application Form. Alternatively, forms can be collected at any member's electoral office.

The completed application form must be accompanied by a single document supporting the date of the anniversary:

- birth certificate
- driver's licence
- passport
- marriage certificate
- statutory declaration.

Applications must be lodged with a federal or state member (ideally the recipient's local member), who in turn will forward the endorsed application to the Department of Premier and Cabinet Victoria (DPC) to process (email congratulatory.messages@dpc.vic.gov.au).

Constituents cannot lodge applications directly with DPC or the Office of the Premier.

DPC will forward any eligible applications onto the Office of the Official Secretary to the Governor-General, Office of the Governor of Victoria and the Department of Prime Minister and Cabinet.
